

Happy Valentine's Day!

It's been 484 days since we started dating. I think that's a pretty cool number cause it's the same forwards and backwards. Anyway, I just wanted to make something to show off how awesome you are, because you are in fact very very awesome. I've had a great time in the past year and a third, and I can't wait to make so many more memories with you! Thank you for being such a fantastic girlfriend, and I hope this next year is even better!

See you soon hopefully,  
Justin
